In June 3 local allowances at certain rates were sanctioned to the officials of the Bowringpet Taluk who were not then in receipt of any local allowance. In Dec 1904 Govt directed that the allowances drawn by officials in the said Taluk including the K. G. F should be in conformity with the rates sanctioned in the order of June 1903. In ROS file No. 375-08 the Registrar of the Chief Court, the Inspector General of Police & the Chief Engineer were requested to state why the order of Dec 1904 was not given effect to. My dear Mr. Puttanna Chetty,

I beg to invite your kind attention to my letter No. 879/74 dated the 22nd August 1910 to the Se-cretary to Govt. Genl: & Rev: Departments re the highe rate of local allowance the Kolar Gold Fields Police is drawing. I need not tell you that the duties devolving on the Kolar Gold Fields Police are arduous and are of a special nature. Their difficulties in the discharge of their duties cannot be compared with those of the officials of other Departments in the Kolar Gold Fields.

You will see that the higher rate of local

allowance which is being drawn by the officers and men of the Police Department under the authority of Government order No. 12192-95/J.984 dated the 23rd January 1902 is unaffected by the orders of Government of 9th June 1903 and 15th December 1904 fixing a lower rate of allowance.

Since making the above reference to Government, I understand that the Comptroller has taken objection to higher rate.

I have explained at length the special circ-stances under which the officers and men of the Police Department ought to be given the higher rate of allowance.

I request you to kindly see that early orders
